R & D Policy for Students

- 1. Provision for financial support for participation in events like SUPRA, BAJA etc.:** One team from Automobile department and one team from Mechanical department will be selected for participation in national level or state level events. Financial support of Rs. 50,000/- to Rs. 70,000/- will be given to each team once in a year. This fund can be utilized for registration and or fabrication of vehicle. Students need to submit application with recommendations of HOD and faculty coordinator to Dean R&D.
- 2. Seed funding for best projects:** Separate budget will be allocated for seed funding. Scrutiny of proposals submitted by students / faculty will be done by committee. Proposals will be selected based on merit and availability of fund in every academic year. There is separate policy for seed funded projects.
- 3. Financial support for paper presentation in reputed conferences for UG students:** Maximum three papers from each department will get reimbursement of Rs. 3000/- each towards paying registration fees of the conference. Students need to submit application signed by concerned HOD to dean R&D. Students must enclose receipt of registration fees, first page of paper and conference certificate along with application.
- 4. Financial support for paper presentation in reputed conferences for PG/MBA students:** Students will be paid registration fees maximum up to Rs. 2,000/- once in academic year for their paper presentation based on M. Tech dissertation work. Students need to submit application signed by concerned HoD and HoP to dean R&D. Students must enclose receipt of registration fees, first page of paper/conference certificate along with application.
- 5. Financial support for undertaking interdisciplinary projects:** Maximum of 05 interdisciplinary projects at institute level will be selected for funding with maximum funding support of Rs. 20,000/- each.
