Online Alumni Meet 2020
### Department of Automobile Engineering

'RIT Automobile Online Alumni Meet December 2020' was organized by Automobile Engineering Department in collaboration with RIT Alumni Association on Dec 20, 2020, at 06.00 p.m. through MS Teams platform. Brief agenda of the meet was to discuss the plans and directions of RIT Automobile Engineering department based on the impact of COVID-19 pandemic on engineering and various global aspects. UG and PG alumni from all over India and abroad were participated to share their opinions and suggestions. Vitthal D. Chavan (UG1987), Satishkumar Yadav (UG2000), Ajit Nikam (UG2006), Navnath Mandlik (UG2005), George Jinu (UG2003), Chaman Rakesh (UG1993), Balasaheb Gandhare (2000), Krantiveer Pawar (UG1997), Khushaldas Badhan (UG2016), Nikhil Chitnis (UG2009), Mihir Kulkarni (UG2010), and Vinay Gite (UG2019) enthusiastically participated in this meet and shared their views, experience and express readiness to support students, department and institute in all possible ways for its growth. Prof. Dr. D. G. Thombare, Dr. L. M. Jugulkar, Dean Student development, Prof. Dr. S. M. Sawant, Alumni in-charge, and Dr. S. R. Kumbhar, Head, Automobile Engineering Department interacted with the participated alumni. Prof. S. G. Kumbhar and Prof. S. S. Mane coordinated the meet.
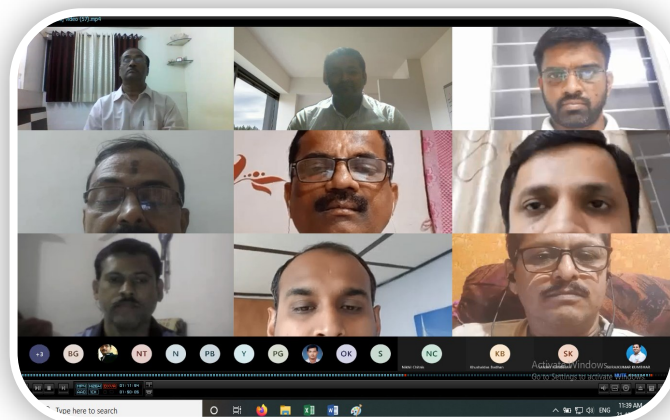

Alumni Interaction

Department of Automobile Engineering

Our distinguished Alumnus, **Mr. Pravin Padval** (UG1995), Additional Commissioner of Police, South Region, Mumbai, was the chief guest for online Merit Awards Distribution Ceremony for year 2018-19 rankers, organized by RIT Counseling Cell on December 12, 2020, at 12.30 pm.
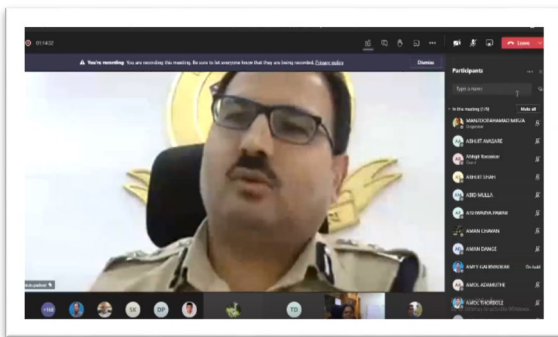

Department of Mechanical Engineering

One of our well known alumni Mr. Raj Patil UG Mechanical Alumni (Batch 1994) has received appreciation award and Certificate from the hands of his Excellency Dr. Virander Paul High Commissioner of India to Kenya as Chairman of Maharastra Mandal Nairobi. He is currently working as CEO Kirloskar Kenya Ltd.

Department of Computer Science & Engineering

Department of Computer Science & Engineering organized an expert session on 'Open Source Platform-GitHub' for SY and TY B. Tech Students. **Mr. Chandrashekhar Gaikwad,** Senior Software Engineer at Sail Point Ltd. Pune (Alumnus 2015 Batch) shared his experiences and explained Open Source Platform-GitHub. GitHub, Inc. is a United States-based global company that provides hosting for software development version control using Git. It is a subsidiary of Microsoft, which acquired the company in 2018. With platform specific installers for Git, GitHub also provides the ease of staying up-to-date with the latest releases of the command line tool while providing a graphical user interface for day-to-day interaction, review, and repository synchronization. He has also discussed installation and configuration steps in detail. Total 50 students were attended this session.

Alumni Interaction
