A Report on “Vaastu 2021” Event

The students of civil engineering department under Civil Engineering Students' Association (CESA) organizes the 'Vaastu' event every year. "Vaastu", a state level technical symposium, is a platform for students to show their leadership abilities, technical skills and to make self assessment. This year due to Covid-19 panademics, CESA has organised “Vaastu 2021” event

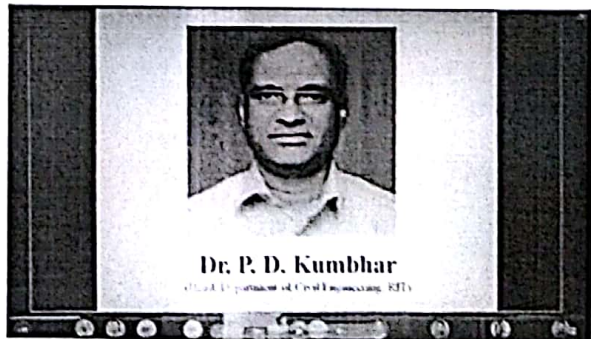

on online mode (Microoft Teams platform) under the guidance of deparmental faculty and staff on Sunday, 20th June, 2021. Various technical activities namely as Poster Presentation, Technical Topic Preentation, Photograpy Competition and Online Quiz competition were sucessfully organised. This time, more focus was given on the technical activites.

The event was inaugurated on Sunday, 20th June, 2021 in the presence of chief guest Mr. Karansingh Rajpurohit (*Associate Director-Structure, KGD Infrastructure, Bangalore*), Dr. Mrs. S. S. Kulkarni, Dr. P. S. Patil, Dr. P. D. Kumbhar and student representatives by virtual inuguration. Student Coordinator felicitated the chief guest and all faculties and staff by virtual inuguration.

Dr. P. D. kumbhar (Head, Department of Civil Engineering, RIT) introduced about the department. He briefed about the importance of events and the various activities included in order to achieving student's development. Dr. L. M. Jugulkar (*Dean Student Development*) and Dr. S. K. Patil (*Dean Academics*) shared the experiences of their college hood, and They emphasized the need of organising such technical events for students development.

Hon'ble Dr. Mrs. S. S. Kulkarni wished the students to participate in this event and motivated the student participants to learn computer programming languages as industry is moving towards automization. She also advised to make use of technology for their overall development so that they can easily get absorbed in the organizations. Mr. Karansingh Rajpurohit advised to students to take benefit of the facilities

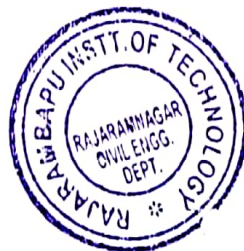

made available in the institute and also appealed to enjoy the college life by participating in the various events organised by department. He shared his experiences in his colleghood and also professional life. He appreciated the participation of the students in various activities in "Vaastu" event and wished for the great success for the "Vaastu" event.

Student representative Mr. Abhimanyu Vedpathak, expressed the vote of thanks and concluded the inauguration function. Chief guest & all the invitees were requested to take a look of various activities organised under Vaastu event. The students who were appointed as event heads briefly explained about the activities to the guests soon after their inauguration. In all

300 students from RIT and nearby engineering institutes were participated enthusiastically in various activities. By organising this event under CESA platform students could be able to achieve the following outcomes:

Prof. A. A. Idate
Faculty Coordinator, CESA

Dr. P. D. Kumbhar
Head, Dept. of Civil Engg.
